

The image features an abstract composition of thick yellow and white lines and shapes on a light blue background. In the upper left, a yellow line curves downwards and to the right, ending in a small yellow circle. A white line segment is positioned below it, also curving. To the right, a yellow line curves upwards and to the right, ending in a small yellow circle. In the center, a white line segment is positioned vertically, with a yellow line segment extending from its top right corner, ending in a small yellow circle. Below this, a yellow line segment is positioned horizontally, with a white line segment extending from its bottom right corner, ending in a small white circle. To the right of this, a yellow line segment is positioned horizontally, with a white line segment extending from its bottom right corner, ending in a small white circle. In the lower left, a yellow line segment is positioned horizontally, with a white line segment extending from its bottom right corner, ending in a small white circle. To the right of this, a yellow line segment is positioned horizontally, with a white line segment extending from its bottom right corner, ending in a small white circle. In the lower right, a yellow line segment is positioned horizontally, with a white line segment extending from its bottom right corner, ending in a small white circle. The word "Studiosity" is written in a bold, black, sans-serif font, rotated 90 degrees counter-clockwise, and positioned in the upper right area of the image. The letter 'i' in "Studiosity" has a yellow dot and a short yellow line extending from it, matching the yellow elements in the graphic.
