

How do **Year 9** students ask study questions? Like this:

“Hi. I’m stuck on this. My question involves vertical and horizontal lines. 1. Find the equation of the line that is parallel to $x=3$ and passes through $(6,1)$. 2. Find the equation of the line that is perpendicular to $y=-3/7$ and passes through $(2/3,1/2)$.”

“Hi - can I have some feedback on my speech?”

“Ok so I have to figure out the unknown side of a triangle with surds and i don’t know what to do.”

You get 24/7 study help for free with your library Member number. In fact, more than 1.6 million students in Australia and around the world have access to Studiosity.

You’ll get *help not answers*, to give you the confidence to keep going on your own.

Choose to get help from a Subject Specialist or even upload a draft for same-day writing feedback.

First, find Studiosity on the library website.
