**Essay Writing Tips**

The secret to an awesome essay is having a plan.

Use this planner to map out your structure, stimulate ideas and organise your thoughts. Creating a plan will also prevent you from forgetting to include important points as you write.

Want more? Photocopy this planner or visit our website to download this and other free writing resources.

## Texts and Readings

## Key Topics to Discuss

## Introduction

## Body Paragraphs

## Conclusion

Once you've written your draft, submit it to one of our expert writing specialists for free feedback, before you hand it in.
