

I am 65, artist & an online student from Toowoomba. My motto is you are never too old to learn more. I have attached one of my watercolours that made Finalist in the CQU Australian Art Awards 2020. Did a Zoom session online as part of Skills & Thrills programme which went as far south as Melbourne. Love teaching watercolour locally & keen to expand that intrastate & interstate, now that Covid 19 is mellowing.
