

2020

So far this Year I think I have worked quite well with starting late due to not having the right books but I believe I'm not doing too bad.

I started the course thinking it might help a bit with Barossa Valley Youth Club Gymnastics whom I do volunteer work, working with the treasurer for the last near 7 years also being on the committee.

I'm looking at it as though it will help me when I have to take over more of the treasurers duties. (which I'm excited and nervous).
